How Does the Agency Program Work?

Adoption Choice, Inc. has assisted thousands of adoptive parents in their pursuit of creating or expanding their family. Each family works with one of our knowledgeable adoption counselors to determine which avenue of adoption to explore.

How Can We Help?

We will provide you with the information and tools you need to navigate the adoption process. Adoption Choice, Inc. believes families come in all different forms. Whether you are a married couple, LGBT couple or a single individual, our agency can assist you. We are not affiliated with any religious organization and do not discriminate based on age, race, gender, income, sexual orientation, or marital status.

How Are We Chosen

Our agency policy is to allow birth parents to select or to help them select a family for their child. Each family will create a profile book to aid in this process.
