

TOUCHED BY ADOPTION 2024, AN ACI ANNUAL FUNDRAISER  
OCTOBER 17, 2024, 5:30PM, AT JAN SERR STUDIO  
2155 N. PROSPECT AVE., MILWAUKEE, WI 53202

# We're just asking...

**Yup, you guessed it. We're looking for a donation.**

Everyone's got their hand out and we know we're just one in the crowd. So we'll make this short, sweet, and hopefully painless.

We're on a quest for extraordinary treasures from across this cheese-loving, lakeside-hugging land of Wisconsin! We're not looking for just any old donations; we're after the kind that make unicorns jealous and leprechauns dance. (Insert Oohs! and Ahs! here)

You see, we're gearing up for Touched by Adoption 2024, a fundraiser that's about caring for the people of Wisconsin. Specifically, those touched by adoption - from adoptive families to birth families and everywhere in-between.

Here are some samples of items that have been popular in the past:

- Experiences: such as hotel or resort stays, event or institution vouchers-tickets-passes, unique tours or once-in-a-lifetime chances
- Family Fun: such as games, activity kits, children's books/toys, adventure outings
- Culinary Curiosities: such as dining experiences, beer and liquor samplings, cooking kits, bakery/restaurant/gastropub certificates
- Pamper Packages: such as spa treatments, hair services, luxury items, pet services

We encourage you unleash your inner whimsy and be bold and creative with your gift. No matter how large or small, all donations are welcome and will be a valued part of the auction. For any donation you deem us worthy, we'll shine a light on you through signage at the auction display table and on our auction's mobile bidding platform.

So, Granter of Goods, join us in making Touched by Adoption 2024 the stuff of legends! Your donation will not only make hearts flutter but also help change lives for the better.

Thanks.

### **The Who, What, Where and Why...**

On Thursday, October 17<sup>th</sup> we will gather at Jan Serr in Milwaukee for our sixth annual Touched by Adoption Evening. We are fortunate to have an amazing team dedicated to make this evening a success, including our returning emcee, **FOX6 News' Mary Stoker Smith**. This exciting event is expected to host 200 guests and will include a light dinner, cash bar and wine pull, plus silent and live auctions.

"TBA" is an opportunity for Adoption Choice, Inc. to raise funds to continue offering supportive programming and financial assistance to the families who turn to us with their adoption needs. So much is involved with all sides of an adoption. Legal, financial, emotional, and logistical hurdles must be faced. Adoption Choice, Inc. is committed to both birth and adoptive families before, during and after an adoptive placement.

Adoption Choice, Inc. is a private, non-profit, full-service adoption agency serving all of Wisconsin since 1986. Our passion is creating families through adoption with an emphasis on the best possible outcome for the child. We strive for compassionate, loving support for birth parents and adoptive parents, alike.
